

Campsite Rental Form during COVID-19

(Updated 8-6-2020)

The East Carolina Council is providing camping opportunities to Scout units and registered Scout families ONLY until further notice. Camping rates have been adjusted to reflect the additional costs of cleaning and sanitizing in the current conditions. This form must be signed and completed one week prior to arrival. Units are asked not to interact with other units on the properties.

To reduce the opportunity for virus spread, campsites are limited and restrooms are assigned to units. Units may check-in Friday night and check-out Sunday morning by 10 AM. To check-in please call the Council Ranger upon entering the property (appropriate Ranger and or Caretaker contact information will be sent with approval). Council camp buildings are still currently closed and only shower/bath houses are available. No primitive cabins, Adirondacks, or other buildings used for sleeping will be available. If your unit or program needs a building this summer, please contact Matt Compton, Council Program Director. Camping rates are \$10 per person, per weekend. This small increase is to cover the additional cleaning costs.

Please circle your date option and fill in the appropriate fields below.
